

SLOVAKIAN MINING SOCIETY

A Member of the Association of Slovak Scientific and Technological Societies

FIRST ANNOUNCEMENT – CALL FOR PAPERS

30th International conference of the Slovakian Mining Society

THE PRESENT AND FUTURE OF THE MINING AND GEOLOGY

WELLNESS HOTEL REPISKÁ

Demänovská dolina – The Low Tatras

**October 3–4th, 2019
CO-ORGANIZERS**

Slovak Mining Chamber
Association of Metallurgy, Mining Industry and Geology of the Slovak Republic
EUROMINES - European Association of Mining Industries, Metal Ores & Industrial Minerals
Ministry of Economy of the Slovak Republic, Bratislava
Ministry of Environment of the Slovak Republic, Bratislava
Faculty of Mining, Ecology, Process Control and Technology
of the Technical University in Košice, Slovakia
State Geological Institute of Dionýz Štúr, Bratislava, Slovakia
Head Mine Office, Slovakia
Institute of Geotechnics of the Slovak Academy of Sciences, Košice, Slovakia
Association of Miners Societies and Guilds of the Slovak Republic

Organizing Committee:

Ing. Ján Hrabovský, PhD., Chief Organiser of Conference, President of the Slovakian Mining Society, Director of the Office of the Slovak Mining Chamber, Prievidza, Slovakia
Ing. Mikuláš Beránek, Chief Organiser of the Conference, Executive Secretary of the Slovakian Mining Society, Banská Bystrica, Slovakia
Ing. Slavomír Hredzák, PhD., Vice-president of the Slovakian Mining Society, Director of the Institute of Geotechnics of the Slovak Academy of Sciences, Košice, Slovakia
Doc. Ing. Ján Spišák, PhD., Chairman of the Presidium of the National Technology Platform for the Mineral Research, Development and Innovation, the BERG Faculty of the Technical University in Košice, Slovakia
Ing. Jozef Hübel, General Secretary of the Association of Metallurgy, Mining Industry and Geology of the Slovak Republic, Bratislava, Slovakia
Ing. Ján Petrovič, PhD., Director general of the Energy Section, Ministry of Economy of the Slovak Republic, Bratislava, Slovakia
RNDr. Vlasta Jánová, PhD., Director general of the Section of Geology and Mineral resources, Ministry of environment of the Slovak Republic, Bratislava, Slovakia
Ing. Branislav Žec, CSc., Director general of the State Geological Institute of Dionýz Štúr, Bratislava, Slovakia
JUDr. Ing. Peter Kúkelčík, Chairman of the Head Mine Office, Banská Štiavnica, Slovakia
Ing. Erik Sombathy, Chairman of the Association of Miners Societies and Guilds of the Slovak Republic, Banská Štiavnica, Slovakia
Prof. Dr. hab. inž. Marek Čała, Dean of the Faculty of Mining and Geoengineering, AGH - University of Science and Technology, Cracow, Poland.
dr. hab. inž. Krzysztof Galos, Director of the Mineral and Energy Economy Research Institute, Polish Academy of Sciences, Cracow, Poland
Mgr. Pavel Kavina, PhD., Director of the Mineral Policy Department, Ministry of Industry and Trade of Czech Republic, Prague, Czech Republic
Dr. Pál Hatala, President of the Hungarian Mining and Metallurgical Society, Budapest, Hungary
Mr. Gábor Zelej, President of the Mining and Geological Survey of Hungary, Budapest, Hungary

Address of Organizing Committee:

Slovenská banícka spoločnosť, Kukučínova 8, 974 01 Banská Bystrica, Slovak Republic
mobil:+421 904 667385
e-mail: banickaspolocnost@banickaspolocnost.sk, www.banickaspolocnost.sk

Conference Topics:

1) Current Mineral Policy of the European Union and its Implementation to the Slovak conditions and in Member Countries

- 2) *Current Mining in Slovakia and Europe - analyses, reduction causes, revitalization possibilities, legislation, public opinion, specific problem example, current mining operations*
- 3) *Mineral Deposits in Slovakia and the Europe – Potential and Possibilities of utilization.*
- 4) *Minerals exploitation, processing and utilise in relation to the environment, an implementation of „zero-footprint mining“ principles, and environmentally friendly production approaches „mine-to-mill“, „near-to-face mineral processing“, etc.*
- 5) *Research, Development and Application Trends in the Fields of Geology, Extraction and Processing*
- 6) *Road tunnels in Slovak Republic*
- 7) *Remediation of Abandoned Mines*

Official languages: Slovak, Czech, English, Polish, Russian, Hungarian

Instruction for writing of abstracts:

Title of the lecture in English; author, address, telephone, e-mail.

Text of abstracts up to 300 words in Microsoft Words, Arial 12

Presentation of lectures will be performed using data projector.

Important Deadlines:

- *May 31st, 2019, Deadline for submission of abstracts and Preliminary Application Form (send by e-mail)*
- *June 28th, 2019 - Notification of lecture acceptance.*
- *July 19th, 2019 - Sending of final Registration Forms.*
- *August 31st, 2019 - Deadline for submission of completed papers (max. 10 pages)*
- *September 16th, 2019 - Deadline for acceptance of Registration Forms and the conference fee payment.*
- **October 3–4th, 2019 - Conference**

- **Assumed costs**

Conference fee:

100 EUR before September 19th 2019

120 EUR after September 19th 2019

70 EUR accompanying persons (drivers, wives),

Conference fee includes translation services, lunch and dinner with Social party on the 3th of October, and other expenses.

- **Conference Proceedings**

printed: 20 EUR, CD-ROM: 15 EUR

- **Board:**

Dinner October 2nd - 10 EUR

Lunch October 4th - 10 EUR

- **The accommodation in double rooms**

1 night/ 2 persons: 76 EUR (with breakfast)

- **The accommodation in single rooms:**

1 night/person: 44 EUR (with breakfast)

Preliminary Application Form
